

# BENEFITS OF BECOMING A BROKER

## Independence

Take complete control over your career. Operate independently or open your own company and hire sales agents to work for you — be the boss.

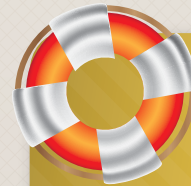

## Prestige

Obtain more listings and clients. Your broker license reflects your higher education and experience, giving you an edge when competing for business.

## Money

Work independently and keep all your earned fees. Or use your status as a broker to negotiate a greater split as a broker associate.

## Support

Boost your business with **first tuesday** marketing materials. Enroll in first tuesday's CalPaces\* program for free continuing education, bulk discounts on agent courses and recruiting tools.

(\*Available for brokers who employ 10 or more agents.)
