

# Attention Note Holders and Carryback Sellers!

Are you holding a note that is not performing? Or perhaps you want to diversify your equity into more rewarding investments?

I specialize in brokering trust deed notes and have investors looking to purchase notes like yours. I can help you liquidate any note, including:

- performing and non-performing trust deed notes;
- junior or senior trust deed notes; and
- carryback notes.

When you are interested in selling your note, give me a call! When you are interested in purchasing additional trust deed notes, I can assist you with that as well.
